

We'll be there for you

(these 4 Ps we swear to you)

VONJO VI

[Verse 1]

We'll be there for you
These 4 Ps we swear to you
When you choose, we wanna be the team for you
We'll be there for you
Capes can't show all we can do
We'll be there for youuuuuuu

[Verse 2]

We'll be the ones that stay up late
We'll be the ones helping you look great
These 4 Ps we swear to you
When you plan, we wanna build the plan with you
We'll be there for youuuuuuu

[Verse 3]

We'd target and segment the list for you
We'll confirm all the NPIs look right too
Capes can't show all we can do
We'll be there for youuuuuu
